SELECTION AND ENROLMENT

NVR enrolls students who are over 18 years of age and meet the entrance requirements of the course/s they want to undertake.

INTERNATIONAL STUDENT HANDBOOK

Student must provide information about their past Academic studies (In Australia or their home country) as well as their current English language ability (Completed within the last 2 years).

Many International Students use an Education Agent to assist them find a suitable course and provider for their studies and help them to gain or extend their Student Visa and enrol in their course/s with their selected provider.

Step 1 - Research

Prior to enrolling, students should make sure they do their own research to ensure they are able to make an informed decision about life in Australia, the agent to enrol with, the College they wish to study at and the course/s they want to study (including entrance requirements).

The individual entrance requirements of each course can be found on the NVR website <https://www.nvr.edu.au/courses/>

NVR provides students with as much information as possible prior to enrolment and will only be able to enrol students who have the required English language abilities and are able to meet the academic requirements of the course.

Step 2 – Enrol and Digital, LLN Requirements

Students must complete a 'Student Application Form' and provide all required evidence to show they are able to meet the entrance requirements of their course. All sections of the 'Student Application Form' must be completed before the student signs the document.

The required evidence is listed on the 'Student Application Form'.

If a student is applying for a Visa or a Visa Extension based on their enrolment with NVR, there will be further information that will be required to ensure the student meets the Genuine Student Requirements (GS).

As part of our enrolment process, all students must meet language, literacy, numeracy and digital literacy (LLND) requirements. If a student's previous qualifications, as evidenced during the application process, do not meet these requirements, they will be required to complete a LLN and Digital Literacy assessment.

A link to the assessment test will be provided, along with a due date for completion. Once the assessment is submitted, the results will be reviewed, and the student will be notified of the outcome. Further guidance or support will be provided based on the score achieved.

Upon approval of your enrolment, you will be sent further information about the next steps, payment arrangements and how you can get started in your course.

Step 3 – Course Entry Interview

All students are required to complete a Course Entry Interview to determine their suitability for the course they intend to enrol in. This interview is recommended to be conducted face-to-face. However, in cases where this is not possible, it may be conducted over the phone.

At the conclusion of the interview, students will be provided with the outcome of the interview, any additional support that may be required, and an overview of the course they are enrolling in.

Step 4 – Letter of Offer

INTERNATIONAL STUDENT HANDBOOK

Once an application and evidence has been received and assessed, NVR will issue a 'Full' or a 'Conditional' Letter of Offer (Conditional pending further information or evidence).

The 'Letter of Offer and Written Agreement' will provide details about:

- Your personal details
- The courses you are enrolled in, including the course start date, location, modes of study, entrance requirements (including language requirements and prerequisite course or units)
- Your Compulsory Orientation date
- Your payment schedule, including amounts to be paid, payment periods and payment options
- The terms and conditions of your enrolment
- Non-tuition fees and refundable amounts
- Relevant compliance information, including disclosure of personal information and Provider Default
- Student Declaration

Students must read through this information carefully and sign the document. If any details are incorrect, this must be notified to the College straight away.

Step 5 – Formalisation of Enrolment

Once the 'Letter of Offer and Written Agreement' has been signed it must be return, in full, along with any further required information and payment of your first instalment

(Note: Students must keep copies of their written agreement and receipts of any payments made to the College).

NVR will then issue an Electronic Confirmation of Enrolment (An 'e-CoE' or otherwise known as a 'CoE') for all courses the student will undertake. The CoE is the official document that confirms enrolment with NVR. This document is required by Immigration before a visa is granted.

Step 6 – Attend Orientation

All students must attend their Compulsory Orientation Day. Your Orientation date can be located on your Letter of Offer.

NVR will send you email and text reminders about your Orientation in the weeks before your Orientation Day. We will also send you a text message the day before your Orientation.

If you cannot attend your Orientation, you must notify the College directly straight away.

If you fail to start your course on time and do not make an attempt to notify the College of your new start date, the College must notify your non-commencement to Immigration.

EDUCATION AGENTS

NVR Education Australia uses education agents to assist us in recruiting students. We have agreements with all our Education Agents that ensure that all agents act in an ethical and honest manner, in the best interests of our key target group, international students, and to ensure that the reputation of the Australian international education sector is upheld.

INTERNATIONAL STUDENT HANDBOOK

A list of the education agents with whom we have an agreement is included on our website at:

www.nvr.edu.au

UNIQUE STUDENT IDENTIFIER (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage: <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

Students are assisted during Orientation to create or access their USI. To create your own USI please visit:

<http://www.usi.gov.au/Students/Pages/default.aspx>

If NVR is required to create your USI on your behalf, we will need to use your Passport and personal details. Please see www.usi.gov.au/documents/privacy-notice

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

NVR Education Australia can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

Fees and charges are involved so please speak with Student Services about your application.

To apply, fill in the Credit Application Form and submit it as part of your enrolment. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront, and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Application may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

INTERNATIONAL STUDENT HANDBOOK

You will be advised in writing of the outcome of your Credit Application.

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

NVR Education Australia has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability, and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning, and you will be advised of these fees upon contacting us. For more information about applying for RPL, contact the head office.

Reduction of Course Duration as a result of Credit or RPL

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, NVR Education Australia will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration.

INTERNATIONAL STUDENT HANDBOOK

VISAS

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at:

<https://www.homeaffairs.gov.au/trav/stud>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with the process of applying for a course to arrival at NVR Education Australia and including assistance with visas. Contact us for details of the education agents that we use.

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa. See more information at the following link:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Sydney at least 2 weeks before your course orientation to give you time to settle in.

The nearest International Airport is Sydney International Airport.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by NVR Education Australia at the time of confirmation of enrolment.

If you are travelling with your family you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

ARRIVING IN AUSTRALIA

Getting from Location airport to your accommodation

Include information about getting from the airport to accommodation e.g. public transport options, taxi or any airport pick up arrangement.

Train

Airport Link is a convenient way to reach the centre of Sydney. Trains run approximately every 10 minutes and the journey to the city takes only 13 minutes. The international and domestic rail stations link directly to the City Circle line, which means most city destinations are within a short walk of stations. You require an Opal Card to travel via Sydney's train, bus and ferry system. You can get an Adult or Child/Youth Opal Card from the Airport Train Station, Relay and WH Smith. Train Ticket fares and other details are available at <https://www.opal.com.au>

More details are available on:

<https://www.sydneyairport.com.au/airport-guide/arriving/international/transport-options-international#train-transport-options-parking-and-transport>

Taxis

Each terminal has its own sheltered taxi rank with supervisors on hand during peak times to ensure a smooth flow of taxis for travellers.

Taxi Rank Locations, Taxi Fares and few Taxi companies are available on

<https://www.sydneyairport.com.au/info-sheet/by-taxi-and-rideshare>

The Sydney CBD is a short, 20 minutes ride away and will cost about \$45-\$55 one-way.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived into Sydney you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting

https://www.internationalstudent.com/study_australia/living_in_australia/money-matters/

INTERNATIONAL STUDENT HANDBOOK

ACCOMMODATION

There is a range of long-term accommodation options for international students.

Private rental

A private rental is where you sign a lease for a whole apartment or house. The lease will include the rent payable, the bond (a refundable amount once you leave the rental), the length and type of tenancy, and other conditions and rules.

Boarding or homestay

Boarding or homestay is when you rent a room in a home, and live with the home owners. This is a private agreement between you and the home owner.

It is important to remember that as an international Student, you have the same renting rights as local residents. Review the information below about renting and tenants rights.

HEALTH

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

INTERNATIONAL STUDENT HANDBOOK

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Home Affairs (DHA) requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia <https://www.bupa.com.au/health-insurance/overseas-students/quote>
- Medibank Private <https://www.medibank.com.au/overseas-health-insurance/oshc/>
- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to <https://www.health.gov.au/resources/collections/overseas-student-health-cover-oshc-resources>

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The following web site includes information about average living costs in Australia:

<https://www.studyaustralia.gov.au/en/life-in-australia/living-and-education-costs>

Carefully review the information at the web site link noting that the figures provided are average only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

Costs associated with living in Australia are included at:

<https://www.studyaustralia.gov.au/en/life-in-australia/living-and-education-costs>

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

COURSE EXPECTATIONS AND REQUIREMENTS

The training and assessment offered by NVR Education Australia focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course is a “unit of competency”. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations.

Students are expected to bring with them their own studying device, including laptops and tablets. The College will have Wi-Fi available for connection to the internet, as well as additional computers for usage within the classroom.

Students studying within the Certificate III in Painting and Decorating course are expected to supply their own Personal Protective Equipment (PPE), including steel capped boots, high visibility vest, safety goggles, P2 face masks. Further information and details about PPE requirements is provided during the delivery of the course.

ATTENDANCE AND “HOMEWORK” REQUIREMENTS

You are required attend each class so you do not fall behind. Please notify your trainer at least 30 minutes before class if you are unable to attend for any reason.

Students are required to maintain a satisfactory level of attendance each term. Your trainer will collect your attendance at the start and end of each class. If your attendance is too low, you may not be able to pass your units you are studying in the term.

NVR monitors student’s absences and issues Warning notices through the term. Students who receive a Warning notice should contact the College to discuss lack of attendance and actions to prevent students from not meeting unit requirements.

As a part of your learning journey, you need to complete structured Self-Paced Learning activities each week. There will also be an expectation that you complete a certain amount of unstructured learning “homework” (research, reading, YouTube videos) each week in order to further understand your subjects and finish learning and assessment tasks required for completion of your course.

Students studying within the Certificate III in Painting and Decorating course are expected to attend all scheduled workshops to meet learning and assessment requirements. Students who do not attend any scheduled workshop will be at risk of not meeting unit of competency requirements and may be subject to reassessment fees.

ASSESSMENT ARRANGEMENTS

At the beginning of each unit your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time you will:

INTERNATIONAL STUDENT HANDBOOK

- Be provided with detailed assessment instructions for each task/requirement, which includes the criteria that you'll be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks using the Assessment Answer Workbook that has been provided on your Learner Management System (LMS). The cover sheet asks you to make a declaration that the work is your own.

Assessments should be submitted on the LMS by the due date.

Your assessor will provide you with written feedback and confirm the outcome of the task on the LMS and within the Trainer Marking Guide.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have 2 further attempts to complete the task and achieve a satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the third attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessment to support you in achieving a Competent outcome. This will incur an additional fee for students as identified in the fees and charges information.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Appealing assessment decisions

INTERNATIONAL STUDENT HANDBOOK

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

INTERNET AND COMPUTER ACCESS AND USAGE REGULATIONS

NVR Education Australia provides a comprehensive computer network for all staff and students. Each student is granted access to the College's internet network to support their studies.

Classrooms are equipped with modern all-in-one computers and laptops to enhance learning and engagement. Students are also encouraged to bring their own devices (BYOD) to promote flexibility and ensure continuity in their learning, both inside and outside the classroom. Using a personal device allows students to easily access course materials, complete assignments, and engage with online learning platforms at their own pace.

For those without access to a personal device, laptops are available for loan. These must be signed upon return.

NVR Education Australia strictly monitors all internet activity to ensure it is used solely for educational and college-related purposes. Users should have no expectation of privacy when using the College's network.

Personal browsing, streaming entertainment, downloading non-educational content, or accessing inappropriate material is strictly prohibited. Students must not share their login credentials, bypass security protocols, or disclose confidential information online. Any material downloaded via the College network becomes the property of NVR Education Australia and must comply with all applicable copyright and licensing regulations.

Any misuse of internet or computer resources—including accessing sexually explicit content, breaching legal requirements, or sharing sensitive data—may result in disciplinary action. This can include suspension, dismissal, and legal liability for any resulting damages.

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated or plagiarised the work or colluded with any other student/s.

Trainers may also use antiplagiarism software to check student's work.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If you are found to have plagiarised, cheated or colluded, we will be required to take disciplinary action which is likely to require you to complete the assessment again.

ETHICAL USE OF AI AND ACADEMIC INTEGRITY

At NVR, the use of Artificial Intelligence (AI) in academic work must reflect our core values of integrity, transparency, and personal accountability. Students are welcome to use AI tools for purposes such as brainstorming, generating

INTERNATIONAL STUDENT HANDBOOK

ideas, or enhancing their learning experience. However, any use of AI-generated content must be clearly acknowledged and used responsibly.

Submitting AI-generated material without proper attribution, or presenting it as your own original work, is considered academic misconduct and will be addressed as a breach of our Academic Integrity Policy.

While AI can support your studies, it should not replace your own critical thinking, creativity, or personal contributions. Submitting work that relies entirely on AI without adding your own insight or analysis is not only unethical—it also limits your academic development.

For detailed guidance, please refer to our Academic Integrity Policy available on our website:

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

NVR Education Australia will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. - There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.
- It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

 - response to a complaint
 - assessment outcomes / results
 - other general decisions made by NVR Education Australia

2. Principles of resolution

- NVR Education Australia is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy and procedure, NVR Education Australia ensures that complaints and appeals:
 - Are responded to in a professional, consistent and transparent manner.
 - Are responded to promptly, fairly, objectively, with sensitivity and confidentiality.
 - Are able to be made at no cost to the individual.
 - Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.
- NVR Education Australia will inform all persons or parties involved in any allegations made as well as providing them with an opportunity to present their side of the matter.
- There are no charges for students to submit, a complaint or appeal to NVR Education Australia, or to seek information or advice about doing so.
- Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

3. Making a complaint of appeal

INTERNATIONAL STUDENT HANDBOOK

- Complaints about a particular incident should be made as soon as possible after the incident occurring and appeals must be made within thirty (30) calendar days of the original decision being made.
- Complaints and appeals should be made in writing using the Complaints and Appeals Form, or other written format and sent to NVR Education Australia head office attention to the Chief Executive Officer.

When making a complaint or appeal, provide as much information as possible to enable NVR Education Australia to investigate and determine an appropriate solution. This should include:

- The issue you are complaining about or the decision you are appealing – describe what happened and how it affected you.
- Any evidence you have to support your complaint or appeal.
- Details about the steps you have already taken to resolve the issue.
- Suggestions about how the matter might be resolved.

4. Timeframes for resolution

- The complaints and appeals process will commence within 10 business days of receipt of the application. Complaints and appeals will be finalised as soon as practicable or at least within 30 calendar days unless there is a significant reason for the matter to take longer.
- In matters where additional time is needed, the complainant or appellant will be advised in writing of the reasons and will be updated weekly on the progress of the matter until such a time that the matter is resolved.

5. Resolution of complaints and appeals

- Some or all members of the management team of NVR Education Australia will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made.
- Where a third-party delivering Services on behalf of the RTO is involved, they will also be included in the process of resolving the complaint or appeal.
- Each party involved in the complaint or appeal may have a support person of their choice present at meetings scheduled to resolve the issue.
- In the case of an assessment appeal, an assessor who is independent from the original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task. The complainant or appellant will be advised in writing of the outcome of the process and the reasons for the findings made.
- The enrolment status of student will be handled as follows:
 - For international students, NVR Education Australia will maintain a student's enrolment throughout the internal appeals processes without notifying Department of Education via PRISMS of a change in enrolment status. In the case of an external appeals process it will depend on the type of appeal as to whether NVR Education Australia maintains the student's enrolment as follows:
 - If the appeal is against NVR Education Australia decision to report the student for unsatisfactory course progress, the student's enrolment will be maintained until the external process is completed and has supported or not supported NVR Education Australia decision to report.

INTERNATIONAL STUDENT HANDBOOK

- If the appeal is against NVR Education Australia decision to defer, suspend or cancel a student's enrolment due to misbehaviour, NVR Education Australia will notify DESE via PRISMS of a change to the student's enrolment after the outcome of the internal appeals process

6. Independent Parties

- NVR Education Australia acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by NVR Education Australia.
 - For international students, the independent party is the Ombudsman. This service is free of charge. Where an international student is not satisfied with the outcome or conduct of the internal process, they are referred to the Ombudsman. See information under external complaint avenues.
 - NVR Education Australia will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.
 - The CEO will ensure that any recommendations made are implemented within twenty (20) days of being notified of the recommendations. The complainant or appellant will also be formally notified in writing of the outcome of the mediation, and any recommendations being actioned by NVR Education Australia.

7. External complaint avenues

- Complaints can also be made via the following avenues:
- National Training Complaints Hotline:
The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint. Consumers can register a complaint with the National Training Complaints Hotline by:
 - Phone: 13 38 73, Monday–Friday, 8am to 6pm nationally.
 - Email: ntch@education.gov.au
- Australian Skills Quality Authority (ASQA):
Complainants may also complain to NVR Education Australia registering body, Australian Skills Quality Authority (ASQA). However, it should be noted that ASQA is not a consumer protection agency and cannot act as an advocate for individual students.

Please refer to the relevant webpage below before making a complaint to ASQA:

<https://www.asqa.gov.au/complaints>

8. Records of complaints and appeals

NVR Education Australia will maintain a record of all complaints and appeals and their outcomes and reasons for the outcomes on the Complaints and Appeals Register, which will be securely stored according to the Privacy Policy and Procedures.

ISSUING OF CERTIFICATION DOCUMENTS

On completion of your course and payment of all relevant fees, we will issue your qualification (testamur/certificate) and record of results within thirty (30) days. The record of results will show the units of competency achieved in the course and corresponding results.

Where a student withdraws or partially completes a course, a Statement of Attainment will be issued within thirty (30) days of withdrawal as long as all relevant fees have been paid. A record of results will only be provided with a statement of attainment where requested.

NVR Education Australia reserves the right to with-hold the issuance of qualifications and Statements of Attainment until all fees related to the course or qualification have been paid, except where NVR Education Australia is not permitted to do so by law.

NVR Education Australia must have a valid USI on file for the student for a qualification or Statement to be issued.

Records of qualifications and unit achievement are kept on record for a period of at least thirty (30) years. Students can request copies of any of these statements or qualifications at any time for an additional charge. Refer to our Fees and Charges section for the current fee.
